

ISTC Minutes Sept 11, 2018

Sunshine Law Read

Present: Dalton, Heinz, Insabella, Papp, Wetstein, and Wentz

Not Present: Hughes

Green Communities: The 4th Certified Forestry Management Plan grant was submitted and granted. 3 arborists will be called upon to work on grant. Two included will be Bill Brash and Steve Chisholm.

22 trees were planted in town. Most doing well but there has been extensive deer damage. Tree wrap will be ordered and applied to problem trees.

2 Ash trees were removed due to problems.

There appears to be no more funds for the remainder of the current year but that will be investigated.

At the coming meetings, we will get items together for another newsletter.

Topics will possibly include the shade tree ordinance, invasive species info, and what the commission has accomplished this past year.

YOM was discussed.

Meeting was adjourned.
