**BOROUGH OF INTERLAKEN
ORDINANCE NO. 2023-2**

AN ORDINANCE OF THE BOROUGH OF INTERLAKEN AMENDING AND SUPPLEMENTING CHAPTER XIV “PARKS AND RECREATIONAL AREAS” TO ADD 14-2 “KAYAK RACK REGULATIONS” TO PROVIDE REGULATIONS REGARDING KAYAK RACKS.

BE IT ORDAINED, by the Borough Council of the Borough of Interlaken, in the County of Monmouth, State of New Jersey, as follows:

SECTION ONE. Chapter 14 “Use Regulations,” Section 14 is amended and supplemented as follows:

14-2 KAYAK RACK REGULATIONS

14-2.1 Kayak Rack Availability

Recreational facilities such as kayak racks are those facilities that are funded by the tax revenue which the Borough of Interlaken collects from its residents. As such, kayak rack facilities can only be utilized by a limited group of residents at any given time. Kayak racks are to be constructed by the Borough of Interlaken for residents use to store their kayaks from May 1 to November 1. No kayaks may be placed or stored on municipal land except in accordance with the terms of this section.

- a. The use of kayak racks will be determined through a lottery system open to Borough of Interlaken residents only.
- b. Kayak racks will be located on Windemere Avenue and Bridlemere Avenue.
- c. Availability for a kayak rack is determined by a lottery system on a first come first serve basis as provided in Section 14-2.2.

14-2.2 Kayak Rack Lottery System

Kayak racks will be available to Borough of Interlaken residents only through a lottery system. The lottery for kayak rack slots will become available on April 1st. Residents have until April 15th to submit their lottery applications for a kayak rack. Applications must be delivered to the Interlaken Borough Hall. Residents may state a preference for whether they wish to obtain a kayak rack on Windemere Avenue or Bridlemere Avenue, but requests cannot be guaranteed.

14-2.3 Kayak Rack Fees

Applicants for a kayak rack will be charged a fee of \$35.00 for the season. The fee may be made payable to: Borough of Interlaken by check or money order.

14-2.4 Kayak Rack Usage

- a. Kayak racks are located on Windemere Avenue and Bridlemere Avenue to prevent kayaks from being placed in other public locations other than these racks. All kayaks on municipally owned land must be placed in a kayak rack to which the individual has been assigned.
- b. Residents assigned a kayak rack will be issued a sticker for their kayak. The sticker noting the specific rack the resident is assigned to must be affixed to the kayak at all times. This will allow Borough officials to determine if kayaks are in the wrong rack, if the kayak is misplaced, or, if damaged to quickly identify a resident’s kayak. The Borough will maintain records of residents with a kayak rack and the corresponding sticker number.

14-2.5 Consequences of Non-Removal by the End of the Season

The season in which kayaks may be placed in the rack is from May 1 through November 1. Any resident must remove kayaks from the racks by November 2nd. Failure to remove one’s kayak by the end of the season may forfeit the resident’s opportunity to apply for the next season’s lottery. Any such kayak that is not removed by December 31st will be viewed as abandoned property and may be discarded by the Borough.

14-2.6 Fines and Penalties

For each violation of this ordinance, the violator is subject to a fine of \$25.00.

SECTION TWO. All other sections and subsections of the Borough Code will remain unaltered.

SECTION THREE. If any section, subsection, paragraph, sentence or other portion of this Ordinance be adjudged by a Court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder of this Ordinance.

SECTION FOUR. All ordinances or parts thereof inconsistent with the provisions of this Ordinance are hereby replaced to the extent of such inconsistencies.

SECTION FIVE. This Ordinance shall take effect immediately upon its final passage and publication according to law.

(b) The average period of usefulness of the improvements or purposes, within the limitations of the Local Bond Law and taking into consideration the amount of the obligations authorized for said purposes, according to the reasonable life thereof computed from the date of the bonds authorized by this bond ordinance, is 10 years.

(c) The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the office of the Borough Clerk, and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey. Such Statement shows that the gross debt of the Borough as defined in the Local Bond Law is increased by the authorization of the bonds and notes provided in this bond ordinance by \$36,000 and the obligations authorized herein will be within all debt limitations prescribed by that Law.

(d) An aggregate amount not exceeding \$50,000 for interest on said obligations, costs of issuing said obligations, engineering costs, legal fees and other items of expense listed in and permitted under N.J.S.A. 40A:2-20 is included as part of the cost of said improvements and is included in the estimated cost indicated herein for said improvements.

(e) To the extent that moneys of the Borough are used to finance, on an interim basis, costs of said improvements or purposes, the Borough reasonably expects such costs to be paid or reimbursed with the proceeds of obligations issued pursuant hereto. This ordinance shall constitute a declaration of official intent for the purposes and within the meaning of Section 1.150-2(e) of the United States Treasury Regulations.

Section 6. The capital budget of the Borough is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency herewith. The resolution in the form promulgated by the Local Finance Board showing full detail of the amended capital budget and capital program as approved by the Director of the Division of Local Government Services is on file with the Borough Clerk and is available there for public inspection.

Section 7. Any grant or similar moneys from time to time received by the Borough for the improvements or purposes described in Section 3 hereof, excluding the grant funds referred to in Section 1 hereof, shall be applied either to direct payment of the cost of the improvements within the appropriation herein authorized or to payment of the obligations issued pursuant to this ordinance. The amount of obligations authorized but not issued hereunder shall be reduced to the extent that such funds are received and so used.

Section 8. The full faith and credit of the Borough are hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by this bond ordinance. The obligations shall be direct, unlimited obligations of the Borough, and, unless paid from other sources, the Borough shall be obligated to levy ad valorem taxes upon all the taxable property within the Borough for the payment of the obligations and the interest thereon without limitation as to rate or amount.
