

Dog Licensing Information

Your dog license is set to expire on December 31, 2017. Renewals will be available starting January 2, 2018. Please call Borough Hall, if you have any questions regarding the renewal process.

All dog licenses are to be renewed in January of each year. All dogs six (6) months or older, kept in the Borough of Interlaken, are required to be licensed. License must be on pets at all times.

New application and renewals for dog licenses may be obtained in person at Borough Hall or by mail. All licenses will be issued, starting on January 2, 2018, in consecutive order. All checks must be made payable to the Borough of Interlaken. If you no longer have a pet to be licensed, please contact Borough Hall at (732) 531-7405 to be removed from the license renewal list.

Proof of spaying/neutering is required for **new** licensees or newly spayed/neutered animals.

Rabies Vaccination Requirement: N.J.S.A. 4:19-15-3a requires that the duration of the immunity extends throughout at least the first ten (10) months of the twelve (12) month licensing period. Therefore, if your vaccination expires on or before October 31 of the licensing year, a license cannot and will not be issued until the animal receives a new vaccination.

Proof of vaccination **MUST** accompany renewal. Please bring it with you. All animals with rabies vaccinations expiring during January through October of the licensing year must be revaccinated before a new license can be issued, per NJ State Law.

2018 Dog License Fees
